WORKSHEET - 9

<u>Our Class Won</u>

Read the given passage carefully and answer the questions that follow:

There are four first grade classes at our school. The teachers decided to have a contest. Every day each student would take a book home to read with their Mom or Dad. Their parents sent a note saying they had read the book. The class who read the most books would win. The contest lasted two weeks. Our class really wanted to win the contest. Everyone took home a book each afternoon and read it with their Mom or Dad at night. There are twenty kids in my class. We read ten books each. That made two hundred books! We won the contest. We beat the next class by only three books. We were so happy to win. Our classroom got a new red bookcase as a prize. Now we have a place to put all our books.

a. How many first grade classes are at the school?

_____

b. How many books did each kid read?

_____

c. What was the prize for winning the contest?

_____

d. Make sentence:

i. happy _____

ii. book _____

WORKSHEET – 10

<u>Importance of plants</u>

On our beautiful earth we have a variety of plants and trees around us. Plants play an important role in our life. They give us oxygen to breathe, fruits and vegetables to eat and home to the birds and animals. They also help in controlling the pollution. Different plants and trees are used to make medicines also. Plants like tulsi and neem have great medicinal value. Paper is also made of trees only. So we should not cut trees and should plant more and more trees to make our earth more beautiful and pollution free.

1.Tick the correct answer.

i.Who controls pollution?

a. police b. trees

c.rocks d. gardener

ii. What do plants give us?

a.paper b. shoes

c.rock d. animal

2.Fill in the blanks :

i. _____ and _____ are the plants used to make medicines.

ii. _____ gives home to birds and animals.

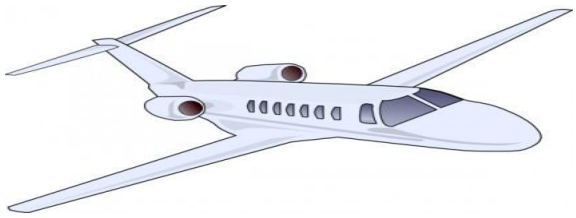
3.Write any two action words from the passage above.

_____

WORKSHEET – 11

First Airplane Trip

Read the passage given below and answer the questions that follow.



Jake is going on a trip. He and his Mom take a taxi to the airport. “It’s my first plane trip,” he tells the taxi driver. “That’s great!” the taxi driver says. Jake rolls his suitcase onto the plane. “It’s my first plane trip,” he tells the pilot. “Welcome,” the pilot says. Jake finds his seat and buckles his seatbelt. The plane’s engines rumble and roar. Jake opens his backpack and pulls out Panda. “It’s my first plane trip,” he whispers. He holds Panda’s paw. The plane moves faster and faster. Then—Whoosh! On the ground, cars and houses look like toys. Jake smiles. “Guess what, Panda?” he says. “Flying is fun!”

a. How do Jake and his mom travel to the airport?

i. In a plane
ii. In a bus
iii. In a taxi
iv. On a cycle

b. What does the pilot tell Jake?

_____

c. What does Jake whisper to the panda?

_____

d. Write any two describing words from the passage above.

_____
