Interactive Session on Third Language for Class-V

Circular No.236

Monday, 8th February 2019

Dear Parent

In today's globalization, languages play an important role in communication. The school believes that young learners establish potential to imbibe and develop a flair for the languages. In an endeavour to enhance and give an exposure to different languages, the school offers the following languages in Class VI as Third Language Option for the Academic Session 2019-20.

Sanskrit / French / German / Japanese

To help parents choose the appropriate Third Language for their wards, an interactive session with the Language Teachers is being organized on 16th February 2019 in C Block Auditorium from 9 a.m. to 10 a.m. **for parents.** Kindly give your consent through an almanac note by 11th February 2019 to the class teachers for the same.

Thanks & Regards

Team SPS
