Dear Parent,

Season's Greetings!

Holidays are welcomed by all as they give a short break from routine life and help recoup health and viability. We have announced our Winter Vacation from January 1, 2018- January 15, 2018; this definitely comes along with the 'Holiday Homework'!

One of the best ways to keep the children occupied in a fruitful activity during the holidays is to encourage them to read. Reading is important because it develops the mind and imagination. So this winter season, find some time to read with your child and discover a gateway to learning, opening doors to faraway adventures.

**Utilise lazy afternoons reading supplementary reader 'Famous Fables' (Chapters 6 to 9)**

Follow up activities will be done in the school.

We are looking forward to children coming back to school after rejuvenating holidays, with smiling faces and joy in their hearts.

All of us at SPS, Gurugram wish you abundance, happiness, peace and a New Year filled with hope.
