Dear Parent,

Season's Greetings!

Holidays are welcomed by all as they give a short break from routine life and help recoup health and viability. We have announced our Winter Vacation from January 1, 2018- January 15, 2018; this definitely comes along with the 'Holiday Homework'!

One of the best ways to keep the children occupied in a fruitful activity during the holidays is to encourage them to read. Reading is important because it develops the mind and imagination. So this winter season, find some time to read with your child and discover a gateway to learning, opening doors to faraway adventures.

Utilise lazy afternoons reading supplementary reader 'The Gulliver's Travel' (Chapters 6 to 10)

Follow up activities will be done in the school.

We are looking forward to children coming back to school after rejuvenating holidays, with smiling faces and joy in their hearts.

All of us at SPS, Gurugram wish you abundance, happiness, peace and a New Year filled with hope.

Children love folktales as these tales, by their nature celebrate diversity. By experiencing stories from different cultures, children can discover valuable insights about another culture's values beliefs, history, practice and customs. When children learn about diverse cultural traditions, they not only broaden their view of the world, they may also develop a greater appreciation of their own family's heritage. To help them develop these values further, following folktales are suggested for the children to read during their winter vacations and related activities will be done in the classes.

Roll Numbers	Folktale to be read
1 -10	The Foolish Donkey (Indian) http://www.english-for-students.com/The-Foolish-Donkey-1.html
11 - 20	The Empty Pot (Chinese) http://easyscienceforkids.com/all-about-the-empty-pot-a-chinese-folk-story-about-honesty/
