Exchange Programme

(Visit to Seymour Girls College, Australia)

"The capacity to learn is a gift; the ability to learn is a skill; the willingness to learn is a choice."

Dear Parent

Greetings!

We at Salwan believe that there is no end to education. The process of learning is an ongoing one. It continues beyond the confines of a classroom through exploration and interaction. With this aim in mind, we plan our Educational Exchange Programmes.

We celebrate our association with Seymour Girls College, Australia for the fifth year. In continuance with our exchange, the girls from our school visit Australia and stay with host families to understand their education system and Socio-cultural background. The visit of our Australian counterparts to India is planned in the month of January, 2019.

The Exchange visit for this year has been planned tentatively for end 1st week of August, 2018. The group will comprise of 10 girls (5 from SPS, Gurgaon and 5 from SPS, Rajinder Nagar). The trip will comprise of 2 days stay at Sydney and a week in Adelaide. The approximate cost for the trip including airfare, boarding and lodging, sightseeing, transportation, meals will be Rupees One Lakh fifty thousand only (*Rs.1, 50,000/-).

*Rates may revise due to change in airfare.

If you wish for your ward to be a part of this Exchange Programme, kindly email your consent form duly filled latest by Wednesday, 20th June, 2018.

You can mail your queries to spsgurgaon@salwanschools.com

Thanks & Regards

Principal

P.S. Kindly note that the Exchange Programme is open only for girls from Class VIII-XII. As we have limited seats the students will be chosen on 'first come- first serve' basis.
