Deworming

G-26
Circular No. /2016-17.

Thursday, 02 March 2016

Dear Parent

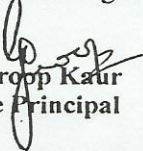

Greeting!

The Ministry of Health & Family welfare observes 10th Feb as National Deworming day. The main objective is to deworm children between the age of 1-19 years.

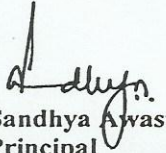

This year the Ministry has decided to distribute deworming tablets (Tab Albendazole) through private schools. Our school has received a supply of these tablets from Haryana Government.

Interested parents can collect same from the school doctor by 10th March 2017.

Thanks & Regards

Gulroop Kaur
Vice Principal

Anshu Mital
