

Enrichment Programme
Classes (II – V)

Dear Parent,
Greetings!

Mathematics plays a very important role in day to day life. To enhance the numerical ability and reasoning skills among the students, school is organising Enrichment programme to prepare students for competitive exams such as Olympiad, Aryabhata etc.

Enrichment Programme will focus on developing mathematical flexibility in solving problems, strengthening calculation and focussing mathematical creativity. These classes will be held during the week in zero and first period.

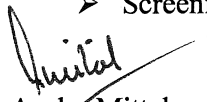

Under the Enrichment Programme special classes will be organised after identifying the mathematical ability of the students. Screening test for the selection of students will be conducted. Curriculum for the same is Mathematical Ability, Logical Reasoning and syllabus of the previous class.

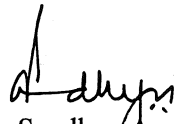

The final selection of the students will be done on the basis of their previous session's performance and the score of the screening test as follows:

- 25 % - Screening test I
- 25 % - Screening test II
- 50 % - Result of SA II (Session 2016-17)

The dates for the Screening tests are as follows:

- Screening test I - 20th April, 2017
- Screening test II – 2nd May, 2017
