Holiday Home Work

(2017-18)

CLASS – VIII

English

Dear Students

Summer vacations are here! A respite from soaring temperature and scorching sun! It's a welcome break.

To keep your palate full and brain cells tingling, exciting and interesting assignments have been compiled to keep you engaged with constructive activities.

The activities have been designed to enrich and enhance literary skills and aid in progressive learning.

Your holiday homework this year is a fun mix of all the aspects of the language. It has been designed to ensure that you enjoy and learn at the same time

1. Read the stories given in the Supplementary reader – Immortal Short stories

Change the ending of anyone STORY from the book. Write your choice of the ending with a reason on an A4 size coloured sheet.

2. Prepare a comic strip of any two stories of your choice from the supplementary reader. Use your creativity for the strip .You can draw or paste pictures for the same.

Present your work creatively. Later script writing will be done by the students under the guidance of the theatre teacher.

3. Practice your grammar skills throughout the holidays. Use some or all of the following websites:

<http://www.bbc.co.uk/bitesize/ks2/english/>

http://www.englisch-hilfen.de/en/exercises_list/alle_grammar.htm

http://www.testdesigner.com/questions/Grammar/Grade_7

<http://www.learnenglish.britishcouncil.org/en/english-g>

Social Science

Month	MAY- JUNE
Topic	Conserving And Protecting The Natural Resources.
Task / Tools / Techniques	<ul style="list-style-type: none">• Weave a story through pictures and posters to stress the importance of conserving and protecting the natural resources.• The posters and pictures should effectively create awareness about need to find alternate sources of energy
Execution of task/ Procedure	<p><u>Guidelines:-</u></p> <ul style="list-style-type: none">➤ Each student can pick a topic of their choice to design a poster with the story line on existing natural resources or newly developed sources of energy in India.➤ The students could focus on all resources like (Coal, Petroleum, Wood, Water, Geo Thermal, Tidal or Bio Gas) or chose to focus on a few.➤ They could develop a storyline for the future too and write a catchy slogan highlighting the importance of use of alternative sources of energy to supplement day today energy requirement.
