

Salwan Public School
Sector-15(II), Gurgaon
Trip to Kargil
(VIII-XI)

Circular No. G-06 / 2017-18

Wednesday, 5 July 2017

Dear Parent

Greetings!

We, at The Salwan School salute those who provide us with great security and comfort at our homes, cities, town while they guard the borders and consequently our homes. They protect us so that we enjoy freedom and democracy. They live away from their families for months and years so that we stay close to ours, be with them and cherish each day in the later years.

To pay respect to selfless soldiers who made supreme sacrifices for our Motherland, we are planning take our children to Kargil on Vijay Diwas from 21-28 July 2017.

Group of around 15 students and 2 staff members of Salwan Schools (2 Students from SPS Gurgaon) will fly to Leh and after acclimatization will travel by road to Dras. After attending the function and paying their homage to the veer jawans, they will fly back to Delhi.

We do plan a wholesome trip for the students and will also offer Leh Tourism to our students. The landscape of Leh is totally different from any other hill station. The Tibetan plateau is a surreal experience. We have lunar landscape enroute to Kargil. Trips to the Monasteries, Army Museum, Magnet Hill, Patthar Sahib Gurudwara, Pangong tso will be a truly mesmerizing experience.

We need to share with you that Indian Army is helping the school in making all the arrangements of stay and travel in Leh and Dras at a nominal cost. The main cost will be the air travel to Leh and back. The approximate cost of the trip will be around Rs. 31,000/- . The tentative itinerary is mentioned overleaf.

As there are are only two seats for SPS Gurgaon, the most physically fit students with no ailments on first come first basis will be selected.

If you want your ward to be part of this programme, kindly fill the consent slip and return by 7 July 2017 positively.
