- Innovative Teaching
- Nurturing Talent
- Activity Based Learning
- Holistic Development

Our Inspiration

Our founder, Late Pt. Girdhari Lal Salwan was born in 1902 when only the privileged class had an access to quality education. He was a visionary, who vowed to impart education to the needy from all sections of society free of cost. He thereby laid the foundation of Salwan Education Trust in 1942. The logo of the Trust - 'The Rising Sun' and the motto 'Tamso ma Jyotirgamaya' are the very essence of the Trust's ethos - to spread the light of knowledge and understanding; to dispel darkness and forge ahead. Today, nine schools are running successfully under the aegis of Salwan Education Trust.

Late Pt. Girdhari Lal Salwan

Vision And Mission

Our vision is to create a school which is at the heart of the community and bustling with happy learners who are enthusiastic about exploring the world around them. Our aim is to create a stimulating learning environment where every day is a magical voyage of discovery for children. We, at Salwan Public School, are committed to personal excellence of each student by imparting holistic quality education enriched with high moral values in a healthy competitive learning environment. Our Mission is based on innovative learning methodology, an unwavering commitment to academics, continuous improvement and cultivation of life skills.

Facilities Available

Excellent infrastructure is provided to train and nurture tomorrow's leaders with the capabilities that will come handy for a brighter future. School campus is spread in 5 acres plot divided in five blocks. The campus has been designed with utmost professional care to meet all the requirements of scholastic and co scholastic activities.

Day Care Centre

The Day Care facility is available for the children of classes Pre-Nursery- V from Monday to Saturday, from 12:30 p.m. to 5:30 p.m. The major aim is to provide the children with a secure and supportive environment outside their homes.

Cafeteria

The school café serves hygienically prepared and nutritionally balanced food. Mid day meals are also available on request.

Transportation

School buses run on 36 routes covering all parts of the city. All buses are GPS enabled and have CCTV cameras for the security of children.

Library

The School has three libraries with a wide range of National and International books and other learning resources.

Laboratories

School infrastructure includes well equipped laboratories- Physics Lab, Chemistry Lab, Maths Lab, Computer Lab, Fashion Technology Lab, Food Production Lab, Media Study Lab, Integrated Lab, Non-Science Lab, STEAM Lab etc.

Sports Complex

The School emphasises on building skills for life by inculcating sportsmanship in our children. A plethora of sports activities take place in the sprawling school campus. Volleyball, Basketball, Football, Table Tennis, Judo, Gymnastic, Chess, Swimming, Aerobics, Shooting etc.
