**Circular No -9/2020-21**

**24<sup>th</sup> June 2020**

Dear Parent  
Greetings!

The developmental practices of human race have caused irreparable harm to the environment. It is important that we live in harmony with Nature and work in the field of conservation to maintain the ecological balance on the planet, Earth.

CMS VATAVARAN is a pioneer in International Film Festival and Forum on environment and wildlife in India. Using films as a window to delve into nature, the festival showcases the best of Indian and International films and documentaries.

We encourage our students to participate in this competition of 3 Minute Short Film on 'Biodiversity'. The main objective of the Short Film competition is to promote our interest in conserving nature's legacy i.e. the ecosystems, the habitats, and the different species of fauna and flora. The idea behind this film competition is to raise conservation issues and to start a discourse about the importance of living in harmony with Nature.

**Rules for the competition:**

- Entry is free, and is open for students of classes VI to XII.
- All films must be made specifically in the month of May or June 2020.
- Films must be no longer than 3 minutes, including credits that should not extend longer than 15 seconds.
- Four genres are accepted: Narrative, Documentary, Animation and Fiction.
- Original Music Scores and film footage are encouraged. If not, the participants must provide the necessary authorization for using others copyrighted materials

**Note:** The winners will be announced on July 7, 2020 over CMS VATAVARAN website and social media platforms. The winner will receive a certificate and the winning film will be hosted on CMS VATAVARAN websites and its social media platforms.
