**Dear Parent,**

Greetings!

“Small act when multiplied by millions of people can transform the world.” Keeping this noble cause of sharing, Salwan Public School, Sec 15(II), is organizing a campaign on account of this auspicious occasion of Deepawali, for making donations to ‘Earth Saviour Foundation’, ‘ Food for Hungry Foundation’ & ‘Robin Hood Army’, to spread love and bliss across all corners and bring a smile on each face. With each one’s support it would be a successful step towards accomplishing this campaign for supporting those in need.

Such acts of kindness should be imbibed naturally and become a part of our regular life. To teach the value of empathy towards the deprived sections of the society our institution has decided to continue this campaign and in sync to this vision we have planned yet another opportunity to help our fellow beings.

Students are requested to bring dry ration and put in a box kept on the main entrance of the school.
